

The "Great" Desk Redistribution of 2015

Dear Students,

Recently, I decided that the current seating chart was inadequate. I believed that we needed a system that was fairer and more orderly. After consulting with trusted advisors and reflecting on this class's reaction to the changes, I may reconsider the redistribution. This survey will help me make my decision, so please be honest and thorough.

Sincerely,

Directions: Mark whether you agree or disagree with the statement below. Then answer the question the follows in two complete sentences. 1=Strongly Disagree 5=Strongly Agree

1a. Dividing the class into 3 regions for Ms. Nugent, Students, and Captains was fair.

1.	2.	3.	4.	5.
----	----	----	----	----

1b. Should Ms. Nugent receive a larger portion of the classroom because she is the teacher?

2a. Taking away desks of students whose space is disorganized and dirty is too harsh.

1.	2.	3.	4.	5.
----	----	----	----	----

2b. What should happen to students who do not take care of their desk?

3a. Students were not prepared to show documentation of ownership of their desk.

1.	2.	3.	4.	5.
----	----	----	----	----

3b. Why were so many students ill prepared to prove ownership of their desk? Where did they end up?
